**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic - which is a local provider of internet in the greater bay area. I have found them so much more responsive than either AT&T or Comcast - I had spent hours on the phone trying to get internet connectivity resolved and switching to Sonic, I've never had more than a few minutes on hold and I find the service I'm getting better (faster and more reliable) internet and better Customer Service for a cheaper price.

Please don't allow these large companies who provide shoddy service for more convince you - I know Ajit Pai is an industry insider - but I am looking to all you real public servants to please acknowledge my voice as a consumer.

Thanks,

Loretta Matty
